Corrigendum to “The role of plant growth regulators in modulating secondary metabolite production in nampu (*Homalomena rostrata* Griff)”

In the published article titled ‘The role of plant growth regulators in modulating secondary metabolite production in nampu (*Homalomena rostrata* Griff)’ which appeared in volume: 14, issue: 1 of the Journal of Applied Biology & Biotechnology [1], the authors have identified a typographical error.

The corrected expressions are as follows:

Section	Incorrect Text	Correct Text
Conclusion	...the leaves of nampu (<i>H. rostrata</i> Schott) exhibit a positive growth response...	...the leaves of nampu (<i>H. rostrata</i> Griff) exhibit a positive growth response...

The correction does not affect the results, discussion, or conclusions of the article. The author apologizes for any confusion caused.

This corrigendum corrects all previous versions of the article.
