

This Corrigendum corrects the following article

K. Bala Chandra, V. Umamaheswara Rao, Subhaswaraj Pattnaik, Siddhardha Busi. Antimicrobial Activity Screening of Marine Bacteria Isolated from the Machilipatnam Sea Coast of Andhra Pradesh, India. J Appl Biol Biotechnol. 2016; 4(03):015-019.
<http://doi.org/10.7324/JABB.2016.40303>

In the version of this article initially published, an error was noticed in the Fig.2, where the Scanning Electron Microscopic image was erroneously represented. The mistake was happened at the author end during the arrangement of the figures. The corrected Fig. 2 appears below. The Figure legend was also updated as “**Fig.2: Scanning Electron Micro Photograph of M22 (5µm)**”. The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way.
